**For Immediate Release**

**Emergency Sewer Work to Close Main Street**

Chatham – A blocked sewer main will close Main Street from the Town Office parking lot to Chatham Bars Avenue at approximately 11 a.m. on Wednesday, May 31, 2023.

The sewer main is located in the middle of the street forcing a complete closure to all through traffic. Sewer service to area businesses will be impacted and may result in changes to operating hours. All businesses on Main Street from address # 490 to Isaac Hardy Lane are asked not to flush toilets and to use water sparingly until the new sewer connection is made.

Detours will be in place to route vehicle traffic around the roadwork. Pedestrians may be directed to pass the work on the north sidewalk. The contractor has estimated that the work will take 8-10 hours.
