- Continued site work is planned at the Oyster Pond Condominiums (OPC) pumping station (1233 Main Street).

- Sewer testing is planned this week on project roads. ***Police detail(s) and signage will be in place in the vicinity of the work.***

1E-2:

- Continued site work is planned at the pumping station (Old Mill Boat Yard/Harbormasters Garage).

Three Week Look Ahead (10/27 – 10/31):

1C-5:

- Continued site work is planned at the Oyster Pond Condominiums (OPC) pumping station (1233 Main Street).

1E-2:

- Work schedule to be determined.

Please note that this is a projected schedule and will be adjusted accordingly based on the Contractor's actual progress and the weather.

Roads will be passable at the end of each day. Police Details and Contractors will work with residents to ensure their needs for access are addressed.

Police Details and signage will be in-place to assist motorists in reaching their destination.

Normal work hours are 7:00 AM to 4:00 PM Monday to Friday, weather permitting, unless otherwise noted.

Sewer construction updates are being posted to the Town's website under the "Projects" icon as the primary information site for residents at <http://www.chatham-ma.gov>. We encourage you to visit for additional information regarding the CWMP and other important projects and events in Town.

Thank you for your patience and cooperation during this important project to restore and protect our environment.
